16. Historic Site,
National Register —
THE THOMAS TODD
HOME, built by Mr.
Todd, was completed in
1879. It is located at 411
East 400 North. The
home has remained in
the Todd family ever
since. He led the Heber
City Choir for many
years. The small build-
ing just east of the house
is interesting in that it is
built of sandstone with-
out mortar.
